# Birth Date Application

This application was designed to provide fun information about the user's first name, age and zodiac signs.

Once installed on your phone, you can launch the application by touching this icon.
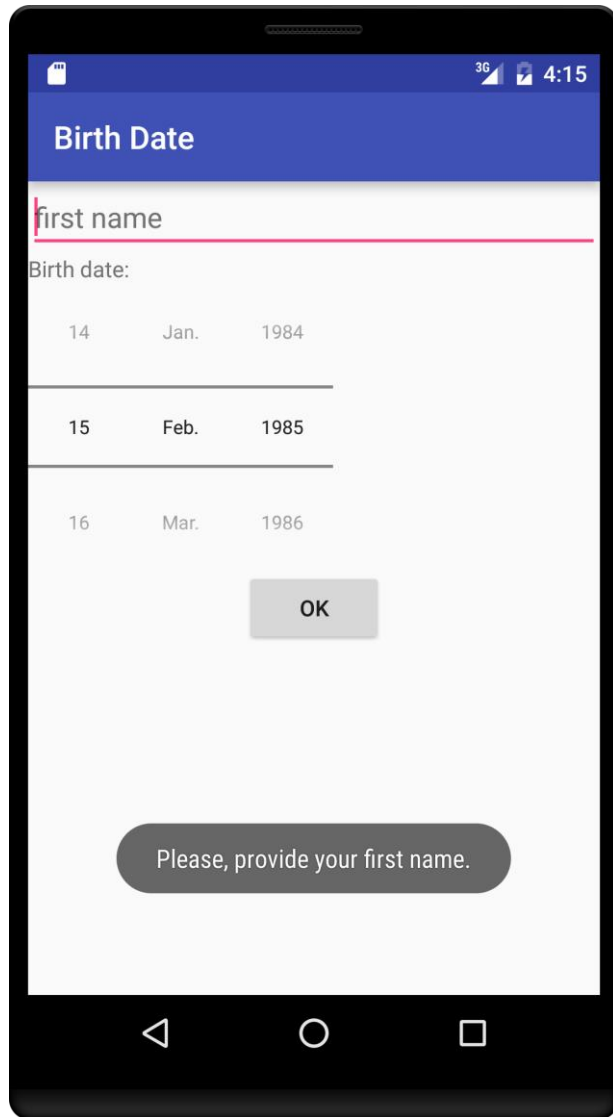

The application opens on the "Input screen".

The user is asked to provide his first name

and his birth date

before he clicks "OK".

Birth Date

first name

Birth date:

31	Dec.	1999
1	Jan.	2000
2	Feb.	2001

OK

If the user does not provide a name, or if he enters an invalid date, a pop-up message is displayed when he clicks "OK" and the application remains on the "Input screen".

When the user provides a name and a valid date
and selects OK, the "Result screen" opens.
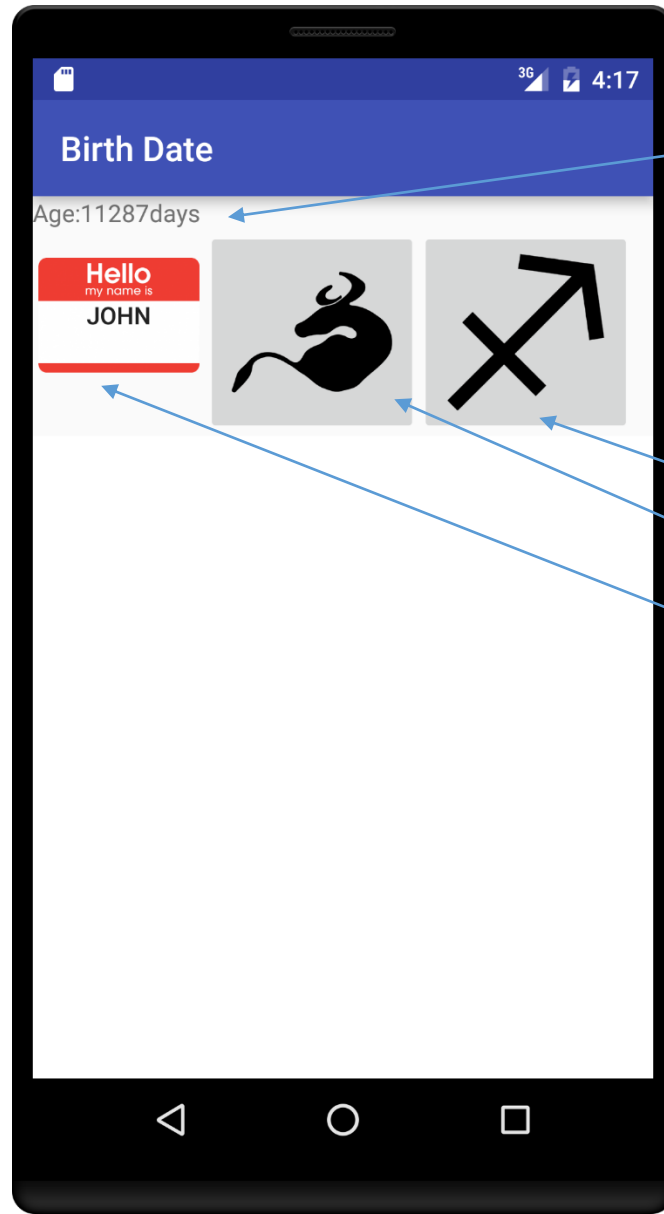

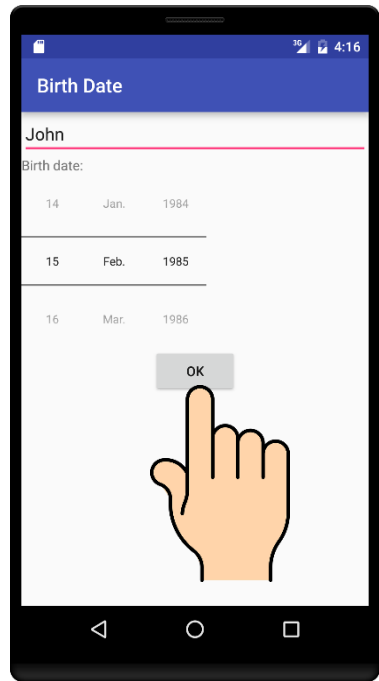

The age of the user expressed in days is displayed at the top of the screen.

3 buttons open each a different web page in the bottom part of the screen to display information about:
- the user's astrological sign
- the user's Chinese zodiac
- the user's first name
